How does an empire justify itself?

Contra el colonialismo interno

Leer a Lenin como se lee el I Ching, abriendo al puro azar, y quedarse con una frase: "Hay que soñar, pero a condición de creer firmemente en nuestros sueños, de cotejar día a día la realidad con las ideas que tenemos de ella; de realizar meticulosamente nuestra fantasía".

The coronavirus as a declaration of war

An essay by Santiago López Petit ... In the morning, I conscientiously wash my hands. I can thus forget the eyes torn out by the police in Chile, France or Iraq. Before eating, I wash my hands again with a good disinfectant to forget about the migrants piled up in Lesbos.

AUTONOMIES

Our father who art in heaven,
you know no borders
Hallowed be thy name "Coronavirus"
We grace you for the immense help
you have granted
You have sent countless of us home to rest
You have decreased 6%
of the carbon dioxide that suffocates us,
You have stolen 30,000 million
from the three richest people on the planet,
And 540 million to our dear
